Doug, Deb and Megan –

Attached are Region 8's final responses to the OECA trend analysis data request. Please let me know if you would like to discuss any aspect of these responses.

I am planning to provide you with several briefings in follow-up to our discussions on EDGI and the R8 enforcement workload. I've scheduled a state oversight briefing for next Monday and will coordinate with Darcy on a drinking water briefing later in March. I'll get an O&G briefing on the books too.
